 - Low or medium do not necessarily require further treatments and are considered acceptable – these risks should be reviewed periodically.
 - High or extreme will require further treatment to reduce their level of risk to a more acceptable level.
- 1.2. The risk for each camp will be assessed and measures put in place to reduce reasonably foreseeable risk. The principal or delegate ensures that the risk assessment will cover the entire camp including:
 - 1.2.1. all activities to be undertaken
